

MANIPAL INSTITUTE OF TECHNOLOGY

MANIPAL

(A constituent unit of MAHE, Manipal)

B. TECH/M.TECH GRADUATE SURVEY

The purpose of this survey is to get the feedback of your educational experience at Manipal Institute of Technology.

PERSONAL DETAILS:					
Name			Ankit Agrawal		
Reg No	Department	Branch	180953278	I & CT	CCE
e-mail			nishu.aa@gmail.com		
LinkedIn ID			www.linkedin.com/in/ankit-agrawal30		
Mobile Number			9711664694		
Permanent Address			H-16 First Floor, South City 2 Sohna Road, Gurgaon Haryana, 122018		
If employed, Details of Company			Placement at Tata Consultancy Services(Digital)		
If pursuing/planning to pursue higher studies, Details of University					
If Self-employed, Details of the same					
HIGHER STUDIES & PERSONAL ACHIEVEMENTS:					
Competitive exams appeared (GRE / GMAT/ CAT/ GATE/ Others)					
If succeeded in competitive exams, score obtained					
Conference / Journal publications					
Patents filed / granted					
Any other Academic achievements					
Any extra-curricular achievements					
INTERNSHIP and PLACEMENT DETAILS:					
Name and place of the organization where internship is completed					
Name of the organization where placement is offered			Tata Consultancy Services (Digital)		
Whether received offer letter			Yes, but joining Letter is pending		

Give your ratings from 0 to 5 for the following criteria:

(5 = Excellent, 4 = Very Good, 3 = Good, 2 = Average, 1 = Poor)

Course Structure and Content	5
Faculty of the department	5
Lab and other departmental facilities	5

Rate the level of achieving the following Graduate aptitudes by you (Programme Outcomes):

(5 = Excellent, 4 = Very Good, 3 = Good, 2 = Average, 1 = Poor)

Engineering knowledge: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems	5
Problem analysis: Identify, formulate, research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences	5
Design/development of solutions: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations	5
Conduct investigations of complex problems: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions	5
Modern tool usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations	5
The engineer and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal, and cultural issues and the consequent responsibilities relevant to the professional engineering practice	5
Environment and sustainability: Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development	5
Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice	5
Individual and teamwork: Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings	5
Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions	5
Project management and finance: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments	5
Life-long learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change	5

Suggestions for improvement:

Date: 27-02-2022

Ankit Agrawal
